

110CK5

Features:

- 5 pin
- Krone punch down tool compatible

Description:

5-Pin Insulation Displacement Contact, with soldering leg. The IDC specially designed for compatible with Krone punch down tool. Standard color is white.

Specification:

MECHANICAL	
IDC	23~26 AWG conductor with Max 1.27mm insulation diameter

PHYSICAL	
PLATING	Silver
MATERIAL	UL 94V-0 Flame Retardant
SOLDERING	Max. 260°C, 4 Seconds
