

## DL-2610

### Features:

- Dual Die Sets for 6P and 10P plugs
- 3-in-1 function: Cut, strip, crimp
- Straight Motion and precise crimping

### Description:

Professional modular crimp for 6P and 10P plugs, with 3-in-1 functions. This tool alone can cut the cable, strip the cable, and crimp the modular plug. This tool has straight motion and precise crimping, which gives you the easiest installation experience.
