

DL-3468R

Features:

- Tri Die Sets for 4P, 6P and 8P plugs
- 3-in-1 function: Cut, strip, crimp
- Ratchet Mechanism
- Straight Motion and precise crimping

Description:

Professional modular crimp for 4P, 6P and 8P plugs, with ratchet mechanism and 3-in-1 functions. This tool alone can cut the cable, strip the cable, and crimp the modular plug. This tool has straight motion and precise crimping, which gives you the easiest installation experience.
