

## F-UK1K

### Features:

- Simple and easy to install
- Aesthetic design
- Dust cover

### Description:

Uniquely designed 1 Port UK style faceplate, not only fits our range of keystone jacks but also compatible with most keystone jacks on the market. The neat appearance makes a great match with any surface. An innovatively simple, but reliable dust cover solution protects the jack when unplugged. Standard color is white, but can be customized colors.

### Specification:
